The DD Council wants to hear from **YOU!**

Are you a person with a developmental disability, a family member of a person with a developmental disability, or an advocate for persons with disabilities?

The Michigan Developmental Disabilities Council is gathering information for its next 5-year state plan. This is your chance to tell us what's important to you and what you want the DD Council to do about it. Join us to share your story, explore the challenges that effect your life and talk about the issues that are important to you.
